The 9 O'clock Option

We have been promoting our new 8:30 and 10:15 Sunday service times at Gateway for two months now, and now I would like to tell you what is happening at 9 am. This is not the sleepy head alternative; it is just another choice in the opportunities we offer at Gateway.

#1: Master Class for Adults

Pastor Sam Williams, once a professor at Golden Gate Seminary, is now teaching a Master Class on Leadership. Even if you have not been able to attend since the start, you will gain tremendously from this curriculum and grow in your leadership skills, then you can apply these new tools in church, home, business or community service. All this takes place in the farthest class down the student hallway where a sign says "Master Class."

#2: GROW Children's Sunday School:

We are now going to start the teaching of our children at 9:00 am. All the age groups will be covered from 8:30-9:00 where everyone is invited to a time of music, crafts and fun. The teaching will start promptly at 9:00am; no one will feel they are interrupting class time.

So in conclusion, of all the things we have changed this year, one of the few things that some have asked for, is more choices at 9:00 am, so here we go! Come join us in worship, participate in a class, and have your children in GROW Sunday School ministry. We are just simply looking for more ways we can serve you and your family at Gateway. Stay tuned, as we will be adding new classes in the future.

In Christ,
Pastor Mark
